GALACTIC GAMES

You're a worm.

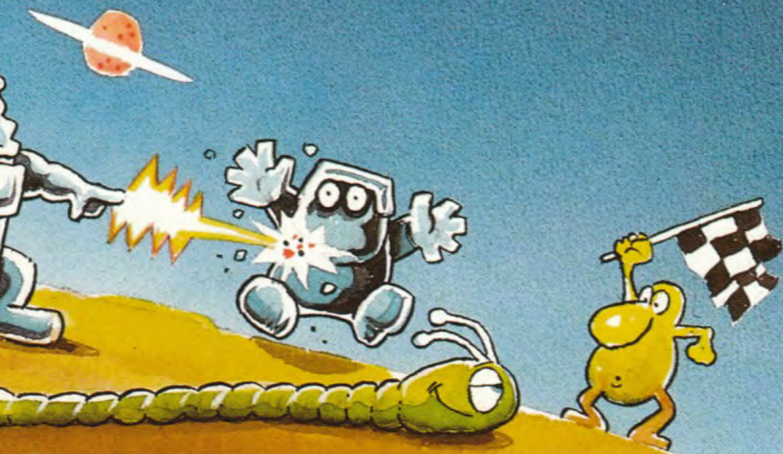

Never mind. Even worms have the occasional fling. And here's your chance to fling, or rather, wriggle yourself against the inter-galactic vermicular champion.

Galactic games, like its more mundane olympic predecessors, gives you the chance to pit joystick speed and timing against other players or the computer in a variety of athletic events that can only be described as bizarre. Bizarre as in the 100m Slither; Space Hockey; Psychic judo; Head Throwing and Metamorph marathon.
